Homework 3

Names: Rocket Raccoon, Groot

Part A. Use R as a calculator

Question 1

```r
# Your code here
```

Question 2

```r
# Your code here
```

Question 3

```r
# Your code here
```

Part B. Built-in Functions

Question 1

```r
# Your code here
```

Question 2

```r
# Your code here
```

Question 3

```r
# Your code here
```

Question 4

```r
# Your code here
```

Part C. Creating vectors

Question 1

```
# Your code here
```

Question 2

```
# Your code here
```

Question 3

```
# Your code here
```

Part D. Subsetting vectors

Question 1

```
# Your code here
```

Question 2

```
# Your code here
```

Question 3

```
# Your code here
```

Part E. Types of data

Question 1

```
# Your code here
```

Question 2

```
# Your code here
```

Question 3

```
# Your code here
```

Question 4

```
# Your code here
```

Question 5

```
# Your code here
```

Question 6

```
# Your code here
```

Question 7

```
# Your code here
```

Part F. Control flow

Question 1

```
# Your code here
```

Part G. Tidyverse

Question 1

Question 2

Question 3
